I have 2 Samsung Galaxy S3 phones. They were on Sprint. Not used very long. I can throw in some cases that I have with each, along with charger, box, everything it came with. The box was kept safely. The phones have been protected by case and screen protector, so they are in great shape.

The ESN is 100% clean, ready to activate with Sprint.

I am asking 80 bucks each. You can have both for 150.
