*Please read through before emailing (to save us both time and to speed up the process).

I am not limited to one style of art. It is %100 my full time career.

I do my best to work with different budgets (within reason). If the budget for a design or art piece is low, then I can deliver my best for the time covered.

My hourly rate is \$65/hr

*Discount rate of \$50/hr is available to my Instagram and FB followers (links below) so if your budget is \$200 I can deliver a solid four hours of art for you (with an update sent to you at the half way point for critique and adjustments). Very complicated art will take more time so budget accordingly. I will keep you involved in the entire design process if you wish to be~

Please provide; a detailed description of what you have in mind (your vision), a few sample images of similar styles or concepts, a budget, a due date for the work, and your direct email address/ contact info.

Looking forward to working with you to make your vision a reality!
