Clean! Harley Davidson Nightster 1200 (XL1200) Special edition orange and black paint. 2 owner bike! Only 5800 miles. Always stored/ kept inside. Tuned up regularly by HD certified mechanic. Bought it from original owner with 2500 miles on it with forward controls. Runs like a top with lots of extras all added since I have owned it! Thunderheader 2 into one exhaust, Harley Davidson round flow air filter, ignition relocation kit, dirty land garage custom gripper 2 up seat with orange stitching, Bitwell keystone bars, 13.5" progressive suspension 444's rear suspension (unreal suspension), HD dark customs derby cover and gas cap. custom low profile fairing. (Optional 5.5" risers available.) Over 2000 in extras alone! Can't go wrong with this bike. Selling it because Im a bigger and taller guy and have outgrown it, also recently broke my hand. Tired of looking at it but not being able to ride. Great and reliable bike, get it quick while there is still season left, or before my hand heals. Bike speaks for itself, just look at it. Shoot me an email, text, or give me a.
