As an international arts organization, RAW: natural born artists' mission is to find brilliant local talent, bring them together, and have an incredible night of exposure, networking, and collaboration!

For each event we produce, we hand-select and proudly showcase over 40 artists in a variety of genres including fashion, music, visual art, photography, accessories, performing art, hair, and make up. Our upcoming showcase is on Thursday September 3rd and will be held at Powerhouse where culture and art thrives.

We not only have a wonderful crowd of attendees (500+, with a love for supporting and buying from a great deal of our featured artists), but also art enthusiasts (who can potentially offer further opportunities such as showings, consignment, commissions) and press.
