Very nice, non-traditional cubicle space available in a 3rd floor office co-op/co-work environment on Newbury Street just off the Old Port. A great spot, located off India Street and close to Micucci's Market, Two Fat Cats Bakery, and Coffee by Design. Walk down to the harbor for lunch!

Approximately 6 X 8 ft, approximately \$190/Month (varies slightly).

Great place to work and collaborate.

The space includes a kitchen, bathrooms, shower, conference room, fax, internet, and copier. Elevator, handicapped accessible. Large winddows facing both east and west, bringing in natural light. This arrangement is ideal for an independent professional who works remotely or is self-employed. If you "work at home" this is a great, affordable escape to get work done. Much more private than other co-working environments. In residence is a solid group of independent professionals which include designers, web developers, consultants, business owners.

This space is currently available. Costs covers ALL expenses, including utilities, internet, and coffee.

Feel free to stop in for a visit.
