?I offer a child friendly setting in a home environment, with the benefit of a small group size so that your child receives individualized one-on-one care.

?I offer a bright and clean child care area that is warm and inviting to children. Planned days where play takes precedence and learning opportunities are presented throughout our day. Preschool activities, developmentally appropriate materials, and a literacy-rich environment enhance my child care program, creating a positive and educational experience for your young child.

?I focus on social relationships, language skills, problem solving, fine and gross motor development, self-help skills, and music and movement. In addition, for preschool aged children, I incorporate activities that promote letter, number, shape, and color recognition. Character Education is also an integral component to my program. I work to instill values with each child such as Respect, Caring, Patience, Politeness, Cooperation, and Forgiveness.

?I offer:

- Nutritious Home Cooked Breakfast, Lunch, Dinner and Snacks
- Abeka Curriculum
- Large outdoor / indoor play area
- Crafts
- Field Trips
- Lesson Plans
