Steve's Handyman Service

We are looking to help our customers with handyman services at a reasonable price.

We are honest hard working individuals just like you. We strive to provide prompt and quality services to ensure the satisfaction of each and every customer. No job is ever too big or small.

Specializing in carpentry, flooring, molding, shelving, closet organizing units, electrical, plumbing, repair, installation, etc. If you can't do it, we can, and at a rate that is better than most of the competition.

Will do almost any job. Will travel.

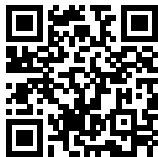

If you should ever need our services you can call me at the number listed below:
