We recently relocated back to Ohio. 2 adults who both work 2 little girls (6,3) and a newborn. We also have an old boxer who is well behaved. My fiance job relocated him back here and since have been staying at a family members house. We are looking for a 3 or more bed single home located in old brooklyn, parma or parma hts, n royalton. We can afford \$850 a month and looking for someone who is willing to take payments on sec deposit. Moving back here drained us and we just had our son 6 weeks early so we were not prepared lol. We can also do repairs or cleaning/painting in exchange towards deposit. Looking to move in this month. Not druggies alcoholics or bums. We are a growing family that take care of our home and dont bother landlord with small repairs or issues. We take pride in our home. Please if you have something that would work for us and we can make an arrangement feel free to contact me @
