ad is up = item is available, i'll remove the ad when it's sold, no need to ask if it's available, it is.

Old shoe shiners box with storage inside. Needs to be refinished, or left alone, I think it's cool as it is.
Original metal door pull.

I was going to make it into a lamp with the electronic guts inside, but never got around to it, and now it's time to move on.

Pickup in south philadelphia near 10th & Oregon.
