Fender 65 Deluxe Reverb Reissue For Sale (795, ÚSD)

Location Pennsylvania https://www.genclassifieds.com/x-585046-z

This is a '65 Fender Deluxe Reverb custom 1x12 tube guitar amp combo in near mint condition with footswitch. This is an amazing tube amp and sounds killer. There's just a few very light marks on it, but overall in fantastic shape. It was always kept in a smoke free home studio and played sparingly. Everything works perfectly and sounds amazing.
