Camp Angels Educational Center Are Now Enrolling!! Ages 2-12 Monday - Friday 4AM-7PM

Camp Angels is a In-home daycare licensed through the State Of Washington.

What makes us different?

We offer affordable rates! State Pay (DSHS) is welcome. We provided breakfast, lunch, dinner, and snacks (USDA child care nutrition program). We offer one on one learning skills, self learning skills, daily communication with parents on children progress, parent conferences, as well as fun in learning, arts & crafts, music and field trips. We also provide potty training for parents who need extra assistance.

Camp Angels Educational Center is distinctively and thoroughly a Christian Child Care program providing a safe and loving learning environment in which Christ is exalted and children are encouraged. We will be learning from children bible-base curriculum, and all of the materials are based on non-denominational, and permeates the entire program.

OUR PHILOSOPHY:

We believe the primary method of learning for a young child is through play. Our early childhood curriculum goals are built on the belief that children learn through active experiences with the environment under the supervision of caring staff at all times.
