Math Tutoring by UVa PhD Candidate (Kindergarten - College)

Hi, my name is Jie Liu. I am currently a Ph.D. Candidate in the Department of Systems & Information Engineering, University of Virginia, and I have a master degree in Economics from the Department of Economics, UVa. I have long experience in teaching a wide range of mathematics and statistics courses in the Department of Systems & Information Engineering, the Department of Economics, and U.Va. Engineering Applied Math Program (APMA).

I offer math tutoring from kindergarten level up to college level. My tutoring includes in-class lecture, in-class exercise, and homework assignments. Subjects include:

(1) High-School and Below:

Arithmetic math (Elementary School)

Pre-Algebra

Algebra

Trigonometry

Geometry

SAT & CBEST Math

Pre-Calculus

(2) College Level:

Calculus

Linear Algebra

Probability and Statistics

(3) Tutoring on some advanced topics in college math might be available, but you need to directly contact me to discuss your specific need.

Location and Time:

Time is flexible.

You may either come to me (I have a tutoring place near the Regal Stonefield Movie Theatre on the

Hydraulic Road, Charlottesville, VA 22901). It is also possible that I may come to your place, depending on your location.

Rate:

Group tutoring for high school level math and below (If you come to me): \$25 per hour and per capita

One-to-one tutoring for high school level math and below (If you come to me): \$35/hour

Group tutoring for college level math (If you come to me): \$30 per hour and per capita

One-to-one tutoring for college level math (If you come to me): \$40/hour

If I come to you (This might or might not be available, depending on your location), I charge extra \$10 per hour beside the above rate.

Thank you very much for your notice!

Hi folks!

Is music your passion? Do you want to impress your friends? Have you always wanted to learn how to play violin or viola? Don't know where to start or whom to ask?!!

I am exactly the right person for you!

I am a concert violinist with 8 years of experience in teaching violin/viola. I teach children of all ages as well as adults. I welcome beginners as well as those with experience and professional players. I have received my Bachelor and Master of Music Degrees from the prestigious Moscow Conservatory and have two performance diplomas from Peabody Conservatory (Baltimore, MD). I performed in many countries such as Austria, Germany, Spain, Czech Republic, Russia, Latvia and throughout the US.

My lessons are fun and productive!

Hope to hear from you soon!
