I have immediate openings for infants as well as children ages 2 and older. I am state registered and do accept subsidy. I provide meals and snacks. We love to do arts and crafts. We will be doing more educational activities in the fall including recognizing letters and beginning to learn how to write. I am located on a dead end road off the Brosseau Rd by the Highgate Manor. Also, I have a large outdoor area for the kids to play in. Please call or text with any questions o to set up an interview at
