I just moved to the Burlington area, I am a 30 y/o professional guitarist/vocalist looking to form or join a Phish/Umph/moe. (etc.) cover band. I've been playing in rock n' roll bands for 15 years, have tons of pro gear, and plenty of gigging experience (I played in an original, touring jam band for years).

If you are a fun, dedicated musician, looking to have some fun jamming, and playing some of your favorite tunes, and gigging is not a foreign word to you, hit me up and let me!
