Hello my name is brandon.  
 I love doing preventive matince work on cars. All my friends come too me too do stuff too there cars. I dont charge much for work and can get you a good price on parts.  
 I do brakes, oil changes ect..  
 I dont have a buisness im doing this on the side because i love doing it. I did flat bed tow truck for a year and also worked in the shop on cars and i also work in a shop now so i do have experience. I have the proper tools too get anything i say i can do done. If i dont feel like i can do something i will not attempt it.  
 Please let me know if u need anything done so we can get something set.
