SALEhttp://12556.mycyclesearch.com/v/21231618/2/11448541/392DESCRIPTION:2014 Honda® Grom®Big Attitude.Honda®'s 2014 Grom® is a fresh, new way to add some fun, practicality, independence and style to your life. Fun: This new machine is a blast to ride, offering all the excitement of a full-sized motorcycle but in a package that just about anyone old enough to have a license can handle. Practical: The Grom®'s thrifty Honda® engine means you can run it on pocket change, and you can park it just about anywhere too.Independence: With your own wheels, you can bag the bus and forget about having to beg for rides from your friends or-shudder-your Mom. Stylish: Check out the Grom® for yourself. And then think of it as a blank canvas, waiting for you to customize it. The new Honda® Grom®. Big attitude. Ride one and see.InnovationsMulti-Function Digital InstrumentsInstrument display features speedometer, odometer, tachometer, A&B trip meters, fuel gauge, clock, and indicator for low/high beam.Combined Projector-Style HeadlightPractical and unique looking, the Grom®'s combined projectorstyle headlight is a major styling element and also allows great visibility at night. Inverted Fork SuspensionJust like a top-of-the-line sportbike, the Grom® features an inverted hydraulic fork front suspension for control and road feel.12-inch 10-spoke WheelsTough and strong, these cast wheels and wide tires are just what the urban rider needs. Fuel CapacityWho says being practical can't be fun? With its 1.45-gallon fuel tank you can venture far and economically too.125cc Fuel-Injected EngineNobody can match Honda®'s reputation for engines, and even though the Grom® may be compact, it's a giant in terms of performance and reliability.Four-Speed TransmissionThe Grom®'s four-speed transmission gives you all the durability, control and efficiency of a conventional motorcycle. Fuel CapacityWho says
