Location **Tennessee**
https://www.genclassifieds.com/x-585379-z

Danny's Tree Service is now offering Winter Specials.Our goal is 100% satisfaction.We specialize in Dangerous and Hazardous Tree Removal.We are 24/7 emergency service always here for all your tree needs.14 years experience and great references.Fully License and Insured. Safety is our goal. Get your Trees/Tree Limbs cut before the ice hits. Ice can split trees in half and increases the weight of tree branches by 30 times becoming deadly hanging objects not knowing what or when they are going to strike. For example if you have a tree branch that is 200 pounds when ice accumulates that branch can weigh 6000 pounds. (Very Dangerous). Tree branches can strike your car,house,Powelines,storage units,fences,Barnes etc. Call Danny's Tree Service today for your FREE estimate. or you can also email us at . you can see our work at or YouTube.com Danny's Tree Service High Speed Tree Removal.
