Location **Vermont** https://www.genclassifieds.com/x-585645-z

I repair all vehicles, small engines, atvs, snowmobiles, lawnmowers, etc. If it has a motor I can fix it. I have my own garage so my prices are very reasonable. I have been a mechanic my whole life 25+years. I weld, do body work etc. I have all the tools needed for the job, even if its an odd job, call and ask! Free estimates Call Gary
