I need someone to take approximately 100 photos, inside and outside, of a home in Jackson, WY. These photos do not have to be cropped or edited, but they should be good quality photos.

I am a contractor and I need the photos so that I can provide a bid to do some work on the house. The property manager will escort you around the property to take the photos. You will need:

- 1) A digital camera.
- 2) Ability to upload the photos to dropbox, google drive, or some other file sharing site.

I typically pay around \$150 for this, but will consider your offer.

If you are interested, please reply with:

- 1) Why you think you are qualified for this job.
- 2) How soon you could accomplish this task.
- 3) How much you will charge.
- 4) Your name and phone number.
