Hawk HPS Brake Pads BNIB (RSX Type (,8,2000 USD)

Arizona Location https://www.genclassifieds.com/x-585943-z

I have some BNIB (brand new in box) Hawk HPS brake pads that I initially bought for my RSX, but I no longer have the car. These pads will fit the RSX (TYPE-S ONLY), 8th Gen Civic Si, and S2000.

I am asking \$130 firm for both front and rear.
