iPhone 4S (4G Phone) Black in "Absolutely Excellent Condition" It is complete with Charger, Car Adapter and a very nice case (that looks like a Goodyear tire). It has been fully reset and updated to iOS 8.4.

It is in absolutely perfect condition and the screen and back cover look absolutely Brand New.

There are others out there for less but few as nice as this and "Fully Tested" and updated. Everything works perfect as it should and the battery is excellent.

This phone is a Model A1387 for AT&T,including Straight Talk and Cricket Wireless also

NO B.S. NO Shipping, NO PayPal, NO Parking Lot Meetings, Do you get the gist here? Meet at the AT&T store or McDonalds or a Police Station. CASH in person ONLY !!!

Oh but I will sell it to anyone from Nigeria that has a poor college student in England that desperately needs a phone of your fake husband that is in the military in Afghanistan and desperately needs a phone and also of course I will take a fraudulent money order and ship you the phone by FedEx pick up.

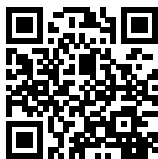

Bill @ anytime from 8:00am to 10:00 pm
