## OFFICE SPACE:-

An Office Space is fully equipped, furnished and ready for quick setup for an individuals business. Not only does an office space provide your business with more immediate access, but it also has lower associated rental costs than traditional offices, and offers the possibility for outside input and referrals from others that utilize the same arrangement. Our facilities offer mail, telephone and internet services, with leases from six to 12 months, and even some offering three-month options.

Our executive office suites vary in size:

- Spacious with windows and fully furnished with desks, chairs and telephone
- Customize your layout however you prefer
- Enjoy the privacy and convenience of your own office
