

Ecommerce Design amp Development (rates)

Location

Delaware

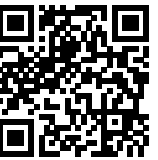

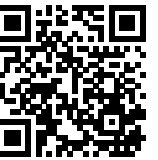

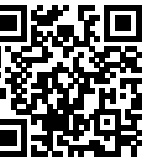

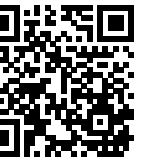

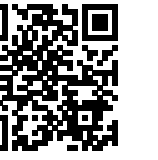

<https://www.genclassifieds.com/x-586319-z>

I am local and specialize in every ecommerce platform including Magento, WooCommerce, Volusion, 3dcart, Shopify, BigCommerce, Weebly, and Joomla, for over ten years. I can provide the perfect solution for all the headaches of your existing platform or business.

If you are experiencing problems in your current platform or need a new ecommerce site developed, I can provide the following:

- Clean Code
- Fast Page Speed
- Order Management
- Shipping Options
- Marketing
- Sales & Inventory Reporting
- Hosting
- Product Inventory
- Options & Attributes
- Responsive Templates
- Custom Design Services

Please contact me today and learn more about how we can take your eCommerce store to the next.
