

Aquarium Super UP (2313 USD)

Location **Washington**
<https://www.genclassifieds.com/x-586532-z>

Super UP-23 13W UV Sterilizer Submersible Pump, 211gph plus extra bulb.

IT'S STILL AVAILABLE !!! Please do not waste your precious time asking it.

Takes care of aquarium green water making it crystal clear, and prevents most of fish diseases.

Would not harm beneficial bacteria in your filters. Improves ware flow and aeration.

Adjustable water flow and rate of aeration.

We have used it for a couple months. We are downsizing, and we have two other ones for our use.

We paid around \$50 for it with extra bulb which is still in the box.

Asking \$35.

This amazing SunSun JUP-23 submersible UV sterilizer allows simple and effective UV control of harmful microorganisms & free-floating algae. Compact and versatile units are ready to install - no additional tubing or circulation pump required. Built-in pump directs waterborne organisms past the UV-C

lamp for clean, clear aquarium water. Install in vertical or horizontal position right in your aquarium or sump. Perfect for fish, saltwater aquariums, ponds, and more. Includes unit with built-in pump and UV-C lamp. 13W power cup measures 4.5 inches.
