I hope the right People read this post.

The person that has the post for a trailer to be towed for \$ 1500 from ID. to AK.

Is a good and fair person I have towed several Items for this person over the last few years. Always payed in full and on Time.

The person that posted that it is a scam does not know what they are talking about and needs to mind there own buisness. it is not there job to be the craigslist police.
