

50 Shades Of Hay (petaluma)

Location **California**
<https://www.genclassifieds.com/x-586610-z>

We have good pricing on our California Red Oat/Rye bales...and on ANY size order! No order too small!

It is locally grown...fine stemmed, triple-twined, and larger than most.....weighing 110-115 lbs...with the perfect blend of color, moisture and grain. The horses love it, but it's ideal for all kinds of livestock.

We are easily accessible, right off Petaluma Hill Rd. in Pengrove. So, come on by, pick some up to see for yourself.
