This is my baby! I've taken such great care of it and have upgraded rubicon wheels and tires on it. The only reason why I'm selling it is because I need a little more space. Such a fun vehicle to drive and have. All black and is such a looker! I get compliments all the time. I have maintained at jeep in Glendale and have records. I'm the 2nd owner and bought it a little over two years ago. Best if you have cash. Then the process is easy and pink slip can be signed over right away. The dealer offered me \$21,500 trade so I definitely won't go lower than that. Shoot me an!
