Like new, pearl white and very well taken care of. Brand new tires on the rear and has after market stereo equipment installed. All new door speakers with separate tweeters in the front ran by a for channel amp. The two 12" subs are ran by a 2 channel amp. All equipment is Alpine and the subs are JL Audios. The car is very clean and I'm the only owner of the vehicle. I still have a lean on it so if someone is serious about buying it, it will probably take me 3-5 days to pay the bank back and clear the title. I'm selling the vehicle for less than I owe. I would not ask for any money before I have the title in hand, just a serious buyer and then I would pay the bank and get the title. It is a 4 cylinder and gets around 20mpg. It has a trailer hitch itnstalled as well. I'm a little negotiable on the price, but not much because I do owe more than I'm asking so please serious inquiry's only. Remote start and touch screen with navigation. Heated seats, sunroof, back-up camera, Bluetooth, power lift gate, fully
