Have one 3 position adjustable weight bench. We used towels on it normally because once upon a time a cat decided it was for scratching but other than that its a nice reliable bench

Weights shown are all metal free weights (hence some of the light rusting)
The solid dumbbells are a 5 lb , two 10 lbs, one 25 lb, and the adjustable dumbbells have four 7.5 lb disks on them as well as two black 2.5lb disks.

Thank you.
