Health is causing me to have to part with my bike. 2008 Yamaha Road Star Silverado S, I bought it in 2012, it has a windshield, back rest, driving lights, engine guard and saddle bags from the factory. The bike runs and rides great. I've averaged 30 mpg in town with it, it's has a 102 CI (1670cc) engine.,

You an see in the pictures the leather on top of the hard bags is shrinking, any auto upholstery shop should be able to make new tops for them, the bike has just over 30,000 miles on it, new tires at the end of last season (less than 1,000 miles on them) new battery last year, battery tender, less than 1,000 miles on the oil change also. Clean and clear title in hand.

Test rides with cash in hand, I can't ride anymore so this bike needs to go to someone that wants a good running bike.

\$6000, Blue book is \$7200, nice weather is here and it's time to ride.

My name is Matt and you can call or text me at if I don't answer please leave a message and I will call back shortly

Cash or check, but check must clear before bike leaves, no online payments. I do not need any help selling my bike and I will not ship the.
