There is nothing more satisfying than a happy child!

My purpose in creating AllAboutChildCare.INFO was to assist parents, grandparents, aunts, uncles and just about anyone looking for child care for their infants, toddlers, and preschoolers. I hope to show you where to look, how to look, and give you the proper tools to do the research you need. No matter where you live, although I'm based in New York, the background perspectives I share are universal and should make you better prepared for what lies ahead. In addition, I give you a loud voice in saying all your concerns. And somewhere along the way, I hope you find a caring, as well. Kathy
