

LOST FEMALE AKITA PUPPY 9 MOS OLD (Beaver Dam Road)

Location Delaware  
<https://www.genclassifieds.com/x-587010-z>

My female Akita has been lost. She is Brindle color - Brown and White. Her face is dark and light brown with very little white. She is newly purchased from Breeder in NYC. She does not know the area. We think she may have been stolen. ANYONE WITH ANY INFO PLEASE CALL ME!! You can remain Anonymous and can block your number. I will answer every call!! I do not have any pics of her yet except the one that is posted. I left message with Breeder to send me.
