I will have a full time opening in my home on Aug 1 for a child 12 months and up. If you want a fun, loving, structured and very family oriented but, most of all safe day care for your child.here you don't have to worry about your child being hungry. I do meals, snacks and drinks as needed. It's not structured to the standard 2 meals and 2 snacks per day! If he/she is hungry...they eat! I'm a stay at home mom for my children because I want to be their caregiver. Call me a worried mom. Some of us can and others simply can't! That's why I'm here. I'm home for my family.. So whatever I do, my babies do. We go on excursions to the park, zoo, botanical gardens, my sons games....whatever! We color, paint, read and play. We don't watch tv too often. I am not licensed or PATCH certified anymore as I gave up sitting 9 years ago after almost 5 years of it with my eldest who's now 18 and on his way to college. I have been active again now for 2 years. I have references if needed. Call or text to meet us anytime!!!!
 7-530 \$550 also offering before and after care, nights, weekends and holiday.
