The new school year is just around the corner and can be a wonderful time to start your child in piano lessons as an extracurricular activity. Or, adults, maybe you have always wanted to play piano and now is a great time to begin.

CAROL LANDER MUSIC STUDIO is offering private piano lessons in Covington (Northern Kentucky) to adults and to students first grade and up.

WHERE - The studio is in her charming home in the Licking River Historic District in Covington, Kentucky, very close to Cincinnati and Newport.

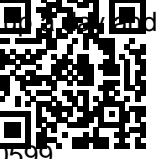

TUITION is \$90 per month. Students receive one 30-minute lesson per week by choosing a day and time which becomes their standing appointment.

WHEN - The music studio is open from 2 to 8 pm on Monday, Wednesday, and Thursday.

"In November 2014, all of my attending students won a "Superior" rating at Junior Music Experience, a piano performance evaluation program in the Greater Cincinnati area."

Educated at the College Conservatory of Music at the University of Cincinnati, Carol has been Music Director at St Jerome Catholic Church, St. Timothy Catholic Church, and piano accompanist at St. Agnes Catholic Church and at Holy Cross Immaculata Church in Mt. Adams. She has taught general music in private schools and taught privately for many years. Carol performs at weddings and various other venues around town and is a published composer. In 2012 she accompanied a competing choir in the World Choir Games in Cincinnati and performed at a Friendship Concert.

"My adult students are great! They come to me saying they've always wanted to play the piano, or they played when they were younger and want to play again!"
