Bay Homes is a Mississippi-based residential home builder that has been developing extraordinary properties since Hurricane Katrina. We are currently building in Jackson, Harrison and Hancock counties. Our skill and integrity has earned us a reputation as one of the Gulf Coast's best and most cost-effective builders.

## Custom Homes On Your Lot

If you can dream it, we can build it. Whether it's a single family home, an investment property duplex or a fishing camp, we have building plans that work with all budgets and flood elevations. We maintain control throughout the design and construction process to ensure that your residence is built to the highest quality standards.

We offer several home designs to choose from, or we can design a unique home for you to fit your lifestyle, your needs and your budget. Just give us a!
