Hello,

My family and I are looking for a responsible adult or young adult to feed our pets while were out of town. We have 2 cats and 1 dog, all well behaved. We will be out of town for up to 2 weeks and the pets will be kept in the garage of our home. The approximate dates are 9/8-9/24/15. We are just looking for someone reliable to feed the animals and perhaps clean up after them occasionally.

Thank you for our interest. Mat and
