Our service is all about convenience. We offer a NO TOW,, QUALITY, Mobile automotive repair service. These are the types of repairs we every day, tune ups, brakes, water pumps, check engine lights, poor gas mileage issues, shocks, struts, CV SHAFTS, suspension, ball joints,, troubleshooting all types of engine running problems, electrical Starting and charging systems, heating & air conditioning, fuel pumps & filters, hub bearings, Batteries, alternators, starters, serpentine belts, timing belts, tensioners and pulleys.

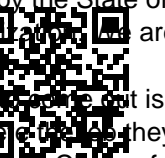

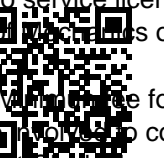

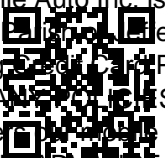

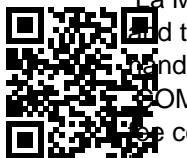

Check out our vehicles, follow our jobs on Youtube, ask questions, we get the job done right. We video record many of our jobs and post the fixes online for your convience. We do not charge extra for this, it is part of our service. If you would like to see a specific repair being done please request it at the time of service.

We also offer EMERGENCY ROADSIDE SERVICE and FLAT TIRE CHANGES (Must have a spare tire in order for us to do this service). We can perform repairs in parking garages on any level{ Parking lot fees must be paid by the customer}, on the side of the road or at your house give us a call we would love to help you.

Calls are handled in the order that they are received. We receive a high call volume throughout the day, so if we do not answer right away please leave a message. We return your calls at our next periodically thought the day., jobs are booked based on availability
Typically we book jobs 2 days in advance. so when you talk to someone at our company schedule your job at that time.

The La Mobile Auto Inc. is privately owned and operated formally Jake's Mobile Auto Repair. We are a professional Mobile Auto service licensed by the State of Louisiana and the ASE. The person we hire as ASE Technicians are also working in the job. See the state regulations for ASE. All mechanics organization are certified in handling credit card Payments. We are as well as all forms of payment.

COMPANY POLICIES FOR MOBILE AUTO: Our service fees are required in order to tow your truck to our location. Vehicle fee for using our site is \$95.00 per hour. Fee cover towing services including a vehicle to our specific location and in some cases up to 100 miles. Parts and labor cost complete the fee they will have to be paid IN ADVANCE, with the balance of the labor due upon completion of the job. Basic Labor Rates: \$95.00 Job Hour not Clock Hour. Minimum Charge for any Service Work \$85.00. We CANNOT give estimates over the phone. If we could this type of estimate it would be incorrect. It is necessary to see the vehicle, perform a general inspection, and run our own tests in order to give you an accurate estimate on your repair. Fees for all jobs are from Mitchell's Labor Guide Manuals and Repair which is online repair estimating software. If you would like to get an idea of what your repair would cost before we come out you can go to this website, repairpal dot com, put in your year, make, model, and zip code and get the price based on your location in Louisiana. If you would like to see an example of the repair pal software in action, type in Jake's F16 on the youtube site, find my video that says " Free Auto Estimating Software " and watch me give an example of car I am getting an estimate on. Ask for Jake www.jakesmobileautorepair.com
