Hi! I'm Alec. I've worked as a photojournalist and commercial photographer from coast to coast for the better part of ten years--from the Chicago Tribune to the Portland Mercury. I only started doing weddings and engagements upon moving to New Orleans, and love it! I'm a hoot to work with, affordable, and offer super quick turnaround. I charge a flat \$50/hour for shooting, editing, and delivery: on average, that comes to around \$100 for headshots, \$250 for engagements, and \$500-2000 for weddings.

If interested, please get in touch! My website and a full portfolio can be found here:
