2009 Yamaha VX Deluxe Wave runner. This wave runner is in great shape, kept up with maintenance, cleaned every time it came off the water, was kept in a garage until this month, and has never been wrecked. Has a new battery and low hours (103.3 hours). Engine is a 1052 cc 4 stroke. Total length is 10 ft. 6 in. Aluminum 15 ft. trail is included. I bought the wave runner new in 2009. I am selling the wave runner because I do not have any time to ride it. I do not need the money so I am pretty firm with my selling price. Serious inquires only.
