Don't Rent The Rug Doc! The rug doc is very bad for your carpets. First, if you do it wrong, it will put way too much water into your padding. Thus, making it easy for mold and mildew to grow. Or, it can start to dissolve your padding. Not to mention that the carpet will be wet for days, and smelly. Second, who cleans those machines when they're brought back? If someone just rented it to clean up after their sick dog, then they bring it back, and you rent it, your taking their dog sick into your home. Gross!!! Lastly, the chemical (shampoo) is horrible. It will strip any protector (stainguard/scotchguard) from your carpet, leaving it vulnerable to staining. Also, their shampoo will leave a nasty residue on your carpet making dust and dirt gather faster. I can't tell you how many people have seriously damaged their carpets by renting one of

these machines. I see it almost every day. They leave dark gray, nasty streaks in the carpet that won't ever come out. Do it before it's too late. Call now before the line gets too long. Do the same thing to the upholstery. Buy the machines, go home and do the work. Then take it back to the store. You can't take it back. A little more and have a professional come out and do it for you, with the proper resins. It's a very expensive system. It's not a pro-lux. It's not safe for your kids. It doesn't take an hour. It's safe to walk on right away. I charge: \$25 for most rooms up to 225 sq ft \$50-\$100 for basements \$15 for hallways \$5 for stairs 10-12 steps \$25 for area rugs 225 sq ft or less \$40 for porch seats \$50 for patio furniture \$50 for sectional couches \$35 for twin mattress \$45 for full and queen mattress \$60 for king size mattress PET URINE REMOVAL FROM THE CARPET IS NOW AVAILABLE. CALL TO FIND OUT MORE. Same Day Service Available Call To Day To Set Up Your Appointment Fully Insured. To have your carpets cleaned and be able to walk on them and have them dry in no time. Please give me a call for all of your carpet cleaning and upholstery cleaning needs. Don't forget. I also clean wax.
