

# 1985 chevy two wheel drive (2000 USD)

Location **Montana**  
<https://www.genclassifieds.com/x-587948-z>

Truck is extra clean brand new tires fully loaded only two small spots of rust starting behind rear wheels. Has a 305 with a 700r4 over drive trans. Truck runs and drives good but is time for a motor it doesn't miss a beat but does smoke. Make into a neat little hit rod or cruiser truck or one hell of a parts.
