At wedding Photography of Las Vegas Also known as QJ's Imaging in Kuna, Idaho) we know how expensive planning a wedding can be. You want the best of the best but you also don't want it to break your budget.

We have some of the best pricing around!!

We are an out of home run 5 star rated wedding photography business. We are able to save you money cause we can keep our overhead costs down so we can trickle the savings on to you.

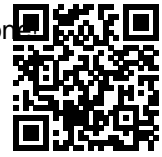

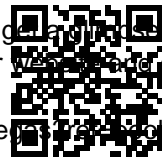

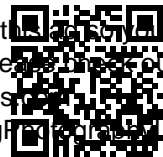

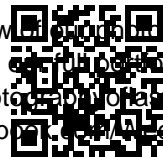

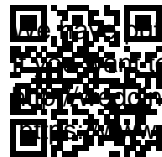

Even though we are such amazingly priced we in no means lack in giving you the best photography experience imaginable.

We have many years experience in wedding photography not only in Las Vegas but also in Idaho.

Wedding Photography Of Las Vegas originated out of the Boise/Kuna Area as QJ's Imaging and expanded traveling to Las Vegas, Nv.. So we really enjoy traveling often to give you the best wedding photography that you deserve!

All Photos are taken with the BEST Canon DSLR equipment and are all in High Resolution! We also make sure to edit all of the photos with Photoshop to give you the best quality pictures you can imagine. All my sessions comes with UNLIMITES imaes, meaning you get ALL the photos , not just some of them ! That's more than anyone else does without compromising quality.

Being home based, I am able to trickle down the saving to my clients , to make them feel good about what they paid for when they leave .

For a few more photos on this service you can go a little bit of the way we don't have to see a full portfolio please check out our website at our Facebook page!
