My buddy and I are headed to Portland on Thursday July 30 for the Pickathon music festival and are returning Monday August 3rd. We would be leaving Boise at around 5 PM on Thursday. We would leave Portland at around 10-11 AM.

We have room for two people (and can also provide a return ride). Will be driving either a Honda Civic (4-door) or a Subaru outback. Both are safe and clean. We're both pretty relaxed people and are always up for a good conversation. \$30 per person each way for gas.

Phone calls only. I will not respond to emails or texts (too many).
