Ladies age 50 to 65, would you like to have a sexy photo shoot for either yourself or for a significant someone? I have a nice in-home studio here in Alton with professional lighting, props, wardrobe and backdrops. Or I can come to you at a location of your choosing, including your home. You can be as sensuous or sexy as you want, from lingerie and nightgown, to topless, semi-nude or nude. For \$75 you can have your own custom shoot with no limit on time, number of photos or wardrobe changes. Feel free to bring a friend or escort. I can shoot evenings or weekends if needed as well. Please submit one self photo when replying. Thank you
