ONE WEEK LEFT! WEEK OF AUGUST 1ST - 8TH!

The Island House is located in a small gated community at the very end of quaint Perkins Cove. Originally built in 1850, this 5bdm, 5bath, historic property is surrounded by award winning gardens, and was totally rebuilt in 2003 to include modern luxuries and amenities and has hardwood floor throughout. Every room in the house has picturesque ocean views, as well as garden and harbor views!

The house welcomes guests in a generous foyer that leads to the spacious (14x37) living room, surrounded by magnificent windows and farmers' porches that fill it with light. The cottage style furniture is placed around the remote controlled gas-fired fireplace and comfortably seats ten people.

Next to the living room is the dining/kitchen area, also surrounded by windows and porches (with direct access to the hot tub), which encompasses a space of 14 feet by 44 feet. The dining room table is prepared for big or small groups and expands from six to twelve people.

Perkins Cove: The Island House is adjacent to Perkins Cove boutique shopping, art galleries and local cuisine restaurants, and to the Marginal Way which borders the ocean and takes you to Ogunquit Town Beach. More restaurants and shopping within walking distance. Easy drive to Outlet shopping in Kittery, ME! Also a short walk across the drawbridge to the Ogunquit Art Museum, a short ride to The Ogunquit Theatre.
