

Chair Cover Rental from Home Business (Greenwich Village)

Location **New York**
<https://www.genclassifieds.com/x-588653-z>

Looking for someone to open a small satellite office for our chair cover rental business. Right now we are in Chicago, Des Moines, Philadelphia, and Indianapolis but would like to expand to the New York area.

You can conduct the business from your home. Realistic profits range monthly from \$400 to \$1500. A good business to run as extra income. Must have computer skills and be motivated to work independently.

Please call Allen for details:
