Currently have a 3 year old lab mix that we adopted from one of my boyfriend's co-worker. His name is Dax and he is very friendly and loves to play fetch. We had a very pet friendly house with a big fenced backyard for dogs to get plenty of running and playing room. Any size and age dogs are welcome. We will treat guest dogs like family. Or maybe you have a new puppy/rescue and need to learn the basics. Whatever your needs Ruff Pup Dog Training is here to help turn your "rough" pup into a GREAT pup! Hello my name is Melissa and I have been dog training professionally for the past 5 years and hold a BA degree in Psychology. I have experience in both correction based and positive reinforcement training, so no matter your situation I can help you achieve your training goals without breaking the bank. In my sessions you can expect to get a solution for the problem(s) that you are having. We will cover all basic commands: Sit, Down, Stand, Wait, Stay, etc. and tackle those harder problems like loose leash walking, heeling, barking, and jumping. For those who are looking to just get a refresher and hone their skills, I offer prep courses for tests such as the AKC Canine Good Citizen and certification for becoming a therapy service.
