I have been in the business of cleaning houses for more than 20 years.

I am currently looking for clients in the West Park, Lakewood, Rocky River and Fairview Park area.

I have Monday, Tuesday and Wednesday openings during the day.

I am not overpriced, but am certainly not cheap. You get what you pay for, honest hard work. Simply put, I make your life easier.

If you want a cleaner that surpasses your expectations, please call Mary at for more information.

Free in-home estimates and references furnished.

Thank you.
