If you've been charged with drunk driving (now known as Operating Vehicle under the Influence of alcohol or drugs - OVI Ohio Revised Code 4511.19), you need an aggressive and smart attorney to fight for your rights. An OVI is a very serious charge with serious consequences. You should not speak to the police, prosecutors or enter a plea without contacting an attorney.

Many people falsely believe that it's impossible to fight an OVI charge. That's not true. Many defenses are available, you just need an attorney on your side who knows these defenses and is willing to fight on your behalf. I'm that attorney.

I will fight for you and challenge every aspect of the charge. Get in touch with me today and let's discuss your case.
