Never been worn, size small, black, limited edition Victoria's Secret Pink faux fur jacket/hoodie. This jacket is fantastic I wish I didn't have to sell it but I bought it when I was pregnant and by the time I was able to wear it it had become too small (go figure) so I have never been able to wear it. The inside is stitched as if it should be reversible with the hoodie type of fabric with big shiny pink letters that say "love pink". If you really wanted to reverse it you could but it doesn't have the reversible zipper and has a small tag on the bottom side that would stick out, but your choice of course. The last image is a close up of the inside.
